Note: Medicines on this list are reviewed on an ongoing basis to assure that the available evidence supports their continued placement on this list. Because, the list changes regularly, we recommend always checking the website at [crediblemeds.org](https://www.crediblemeds.org) for the most up-to-date information. Most drugs have multiple brand names and it is not practical to list them on this form. The [CredibleMeds.org](https://www.crediblemeds.org) website provides a partial list of the more common brands.
