

Paris, 12th of June 2014

Dear Members of the Rett Community,

Our next General Assembly will take place in Vienna – Kolping Wien Zentral – Austria, on Saturday 15th of November 2014 at the invitation of our friends of the Austrian Association.

In order to plan your travel and stay in Vienna, please find enclosed the details of the venue and a list of hotels.

A detailed agenda will be sent in September, but please be aware that the highlight of this GA will be a presentation of Rett Centres in Europe, by the associations of countries where there are Rett Centres and/or clinics. This is of interest for all associations; it could also be of interest for some doctors from countries willing to set up a Rett clinic in their country.

On the occasion of the GA, RSE has the possibility, as last year – through EURORDIS Programme “Support to European Federations” – to give financial support to a few member associations of Rett Syndrome Europe attending our GA.

This programme is mainly intended for Eastern Europe associations and will allow the reimbursement of travel and accommodation expenses on presentation of the original receipts of expenses, up to a maximum of 400 Euros per association.

The conditions to benefit from this programme:

- To be a representative of a Rett Syndrome parents’ association of Eastern Europe,
- The association is a fully paid up member of RSE,
- The association representative will have to attend the RSE GA.

If you are interested, please apply officially to Danijela Szili by email: szilidanijela@gmail.com

Please note the scale of membership fees voted during the 2011 RSE General Assembly:

- ✓ Over 300 members: 400 Euros
- ✓ Over 200 members: 300 Euros
- ✓ Over 100 members: 200 Euros
- ✓ 51-100 members: 100 Euros
- ✓ Less than 50 members: 50 Euros

To be addressed to the Treasurer, Mr Wilfried Asthalter, prior to the Rett Syndrome Europe GA.
