

General Assembly of Rett Syndrome Europe – Vienna

Evening Programme

For a friendly Come Together after the agenda - programme of the General Assembly in the Kolping House, we meet in a typical Viennese location in the evening at 19.30 .

The 12 Apostelkeller is a historical Tavern, over 800 years old. It is located in the heart of Vienna, 2 minutes walking distance from U-Bahn station Stephansplatz or Schwedenplatz.

A typical Vienna Heurigenbuffet will appease one`s hunger with warm and cold dishes, which is a cross-selection of the Viennese kitchen. Of course it contents many vegetarian food as well.

Appetizers are provided for the first hunger already on the tables. White and red wine, soda as well as other drinks (beer, alcohol-free, coffee,..) à la carte. Live Music will accompany our comfy come together.
